1997年，在《中国农村扶贫开发纲要（1996-2010）》中，首次提出“开发式扶贫”的概念，即“通过扶持农村贫困人口发展生产，提高素质，改善生活，实现脱贫致富”。这一概念的提出，标志着中国扶贫开发工作进入了一个新的阶段。此后，国家相继出台了一系列政策法规，如《农村扶贫开发条例》、《农村扶贫开发规划》等，进一步明确了开发式扶贫的方针和任务。在实施过程中，政府采取了一系列措施，如提供信贷支持、技术培训、市场开拓等，帮助贫困人口发展生产，提高收入。同时，社会各界也积极参与扶贫开发工作，形成了政府主导、社会参与、多方合作的扶贫格局。经过多年的努力，中国农村贫困人口数量显著减少，农村生产生活条件得到明显改善，扶贫开发工作取得了举世瞩目的成就。

Ah-

Aki-sama
looks
cute
here!

and
this

Aki-

please!

and
this
cute
Aki-
sama,

I'll
have
this
lovely
Aki-
sama,

So you
really
headed
off to
Paris,
huh?

Basically,
I'd like to
have all of
Aki-sama!

No.

What good are you as her exclusive cameraman?!

Did your charger die at a critical moment?

Wait, wait!!

I don't have any.

Sorry.

Aki-chan wasn't with me, she went off together with Makabe-kun.

And I'm sure

something happened between them, right?

Eh hh hh !?

Aki-sama, is that true!?

Her room fees aren't insignificant...

How many times has this happened, I wonder?

It seems it wasn't serious

Yes.

since we treated her quickly, but...

She was Joseph's child?

How did it come to this, I wonder?

Who gave Gasou the right to speak to me in this manner?

Sumire's recovery comes first!

This is not the time to worry about the cost!

But...

I have no intention of allowing Sumire to experience the same hardships.

I'm bound by my family's duties,

and I can't escape them, no matter how boring they are.

Koiwai Yoshino and me both...

I can maintain my image

by using those things.

The give and take of it all.

Conversations...

traditions...

I don't
know what
happened
in Paris,
but...

Right
here, I
must
turn

extra
funding
from the
Adagaki
family.

I
need

the tide of
her feelings
that are
pushing
towards
Makabe...!

*You're
not
paying
attention,
Gasou!*

*You're
all so
annoy-
ing!*

*Just
stop
talking
about it
already!*

But, I
really
couldn't
take any
photos
because
of that.

I
restrained
myself
since you
were
there...

Sorry,
sorry!

She
ended up
dating
him in
stylish
Paris-

Even
though
we've been
here for
her, she's
running
towards
the hottie-

I
don't
want
this!!

Rki-
sama's
having
an
affair-?

that
you were
threatened
by him!?

Is it
pos-
sible

your
relationship
with me?

Instead,
won't you
seriously
consider

to
wash
my
hands.

...I'm
going

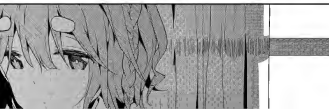

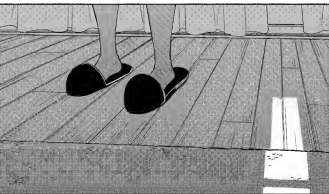

I'll
always,
always,

be
waiting.

It's significantly larger than the house, though!

Piggy ...

but it's a lot more confined than I remember, huh?

It's been a while since I was here last,

This garden, I mean.

I used to have a feeling that it went on to the ends of the earth.

Even if it

was impossible.

getting
beat
up by
those
bullies.

Even
though
she gave
me that
name
herself

while I
stood
here

In Paris,
Princess

of my
nickname,
"Piggy".

gave me
a look as
if she
had no
memory

I thought,
"Do you
seriously
expect
me to
forgive
you?"

I was
pissed.

***But
say...***

***What
if she
was
telling
the
truth?***

I
thought
she was

That
time,

the
only
child
in this
house.

Thus,

I didn't
consider

the
possibility
of anyone
else.

me,

The only
ones who
know the
nickname
"Piggy"
are

the
bullies
who
were
there,

and the
girl who
gave me
that name
herself.

More-
over,

she was
watching us
constantly.

According
to Princess
Cruelty, at
that time
she had
chickenpox,

and
couldn't
go
outside
the
mansion.

But a
young
servant
her age
was
there,
too.

However,

**Adagaki
Aki didn't
remember
it.**

I can't
really
come
to like
you,

Piggy.

The words
he could
hear from
behind the
curtains but
never forget.

***...With
that
being
said,***

by the
girl he
trusted.

A
nightmare
where he
is cruelly
rejected

"Piggy", I
wonder?

why
do you
